

Teaching Engineering to Kids!

The East Windsor Parks & Recreation is teaming up with Play-Well TEKnologies to offer a week long camp for students in grades K - 2 and grades 3 - 5. Students will be able to let their imagination run wild with tens of thousands of LEGO. Build engineer-designed projects such as boats, bridges, mazes, motorized cars and skyscrapers. Students will explore the endless creative possibilities of the LEGO building system with the guidance of an experienced Play-Well instructor. This is an ideal way to prepare young builders for the challenge of Engineering FUNdamentals.

WHEN: June 23rd - June 27th

WHERE: Town Hall Annex, 25 School Street, EW

TIME: Grades K - 2 @ 9:00a.m. - 12:00p.m.

Grades 3 - 5 @ 1:00p.m. - 4:00p.m.

COST: \$125 per student

Registration forms can be found online at www.eastwindsor-ct.gov or you may use our convenient online payment process through Webster Bank. Please call the Parks & Recreation Office at 860-627-6662 if you have any questions.
